The first concert I have seen here of the kind in ten years. Many other similar remarks were heard everywhere. The first part of the program consisted of songs and recitations. Miss Spence, of Port Perry, delighted the audience by her several selections. She undoubtedly holds a front place in the ranks of educationists. The choruses were well rendered and the quartette "Look to the Crowd" Mr. Thompson, our banker, sang a solo entitled "Canada." His rendition of the solo was excellent in a most pleasing manner.

Part II of the programme opened with a chorus followed by a recitation by Miss McArthur. She was followed by a chorus followed by a recitation by Miss McArthur. She was followed by a chorus followed by a recitation by Miss McArthur.

It must be true which some men say. Every day is a new day, and every day is a new day.

An Unequalled Upheaval of Values and Downfall of Prices. A Stock-clearance Event in Every Department Which Brings the Greatest BargainsEver Known to the People of This Locality....

SALE BEGINS JANUARY 9th, AND CONTINUES FOR FIFTEEN DAYS

Conditions exist which make a sweeping and thorough stock-clearance imperative, without consideration of the loss entailed by the movement of the goods. Many lines show heavy surpluses, accumulations of odds and ends and broken assortments are great. The necessity for a quick and general re-adjustment of stock demands heroic measures.

Heroically have we met the situation. Unsparing price reductions have been made. Regular prices have been cut, chopped and mutilated past all resemblance of their former being.

Strong claims, say you? Aye, but more than justified. The values are here to bear us out. We make no promises without performance. Never were quality and price combined so strongly in your favor. Our own regular stocks, the choicest, finest, most desirable offered for your selection—priced at record reductions.

Read the items that follow. They tell in part the story of the amazing bargains of this sale.
